BLOOSKY

THE BEST
PROGRAMMERS
ARE TINKERER'S

What is a Tinkerer?

- ❖ Edits and rearranges the code after doing lessons
- ❖ Comes up with their own ideas to implement into their projects
- ❖ Plans out solutions to solve their questions
- ❖ Builds curiosity and shows engagement
- ❖ Builds confidence and creates comfort with coding
- ❖ Understands computer logic and can dive deeper into code

How Do You Start!?

- All coders look back at their code from years ago and think 'What Was I Doing'?!
 - Wiseman once said:
 - The secret of **getting** ahead is **getting started...**
- Beginning with an END in MIND. Plan and Prepare
